

**ANTICIPATED ACQUISITION BY ROBERT WISEMAN DAIRIES PLC OF THE
FRESH MILK BUSINESS OF SCOTTISH MILK DAIRIES LIMITED**

Terms of Reference

1. Whereas in exercise of its duty under section 33(1) of the Enterprise Act 2002 ("the Act") to make a reference to the Competition Commission ("the Commission") in relation to an anticipated merger the Office of Fair Trading ("the OFT") believes that it is or may be the case that:
 - (a) arrangements are in progress or in contemplation which, if carried into effect, will result in the creation of a relevant merger situation in that:
 - (i) enterprises carried on by or under the control of Robert Wiseman Dairies plc will cease to be distinct from the enterprises carried on by or under the control of Scottish Milk Dairies Limited; and
 - (ii) as a result, the condition specified in section 23(3) of the Act will prevail to a greater extent;
 - (b) the creation of that situation may be expected to result in a substantial lessening of competition within any market or markets in the United Kingdom for goods or services, namely, the market for the supply of fresh processed milk to middle ground customers in the Greater Glasgow area and/or the Central Belt of Scotland.
2. Now therefore the OFT in exercise of its duty under section 33 of the Act, hereby refers to the Commission, for investigation and report within a period ending on 4 April 2006, the following questions in accordance with section 36 of the Act:
 - (a) whether arrangements are in progress or in contemplation which, if carried into effect, will result in the creation of a relevant merger situation; and
 - (b) if so, whether the creation of that situation may be expected to result in a substantial lessening of competition within any market or markets in the United Kingdom for goods or services.
3. In relation to the question whether a relevant merger situation will be created, the Commission shall exclude from consideration one of the subsections (1) and (2) of section 23 of the Act if they find that the other is satisfied.
