**Subject:** Scottish Saltire Cross Coach Routes

*Ms Jolly,*

*I feel the findings and the proposals put forward by the Competition Commission are NOT what is wanted by the travelling public in Scotland. The Saltire Cross Routes are working, people are happy with the services as provided, and they do provide cheap, frequent and fast travel between the major cities on the network.*

*I have used the services a number of times over the past few months and have not heard a single complaint voiced by any passengers.*

*I don't think it would be in anyone's interests to break up the organisation as it now stands. The Operators on the routes are providing what is needed. Leave it alone. Do not break it up. Breaking up the operation as it now stands would put Scottish coach travel back to a point where the passenger would suffer.*

*Regards*
