

GROCERIES MARKET INVESTIGATION

NOTICE

Controlled Land Order withdrawn

The Competition Commission (CC) gives notice that The Groceries Market Investigation (Controlled Land) Order 2010 has been withdrawn with immediate effect.

The CC has taken the view that the Order dated 30 April 2010 is not valid as it does not reflect fully the CC's decision to exempt certain situations from the provisions of The Groceries Market Investigation (Controlled Land) Order 2010 and must be withdrawn. The CC intends to publish a new draft Order on 30 June 2010 that does reflect fully the CC's decisions. The new draft Order will be subject to the customary consultation period.
